

Re-Gen

RE-GEN YARNS COLLECTION

What can make more sense than making textiles from recycled PET bottles and pre-consumer textile waste materials. Therefore we are supplying environment friendly yarns that provide enhanced aesthetics & comfort. These yarns are ideal for producing all knits, sweaters, socks, pull over, athletic wear, Hamoc, Kitchen towel, gloves, mat, aprons, table runner, hand towel etc... Double yarn also available with TFO doubled / Ring doubled with spliced.
